

## **Italian cloud service provider, Factor-y, signs deal with PowerFolder to provide a secure 'sync-and-share' solution in Italy**

### **Factor-y integrates PowerFolder as a component of its cloud integration services**

We have signed a deal with Factor-y, an Italian Cloud Service Provider headquartered in Mariano Comense, to integrate our software under a white label model for its channel network in Italy.

Under the agreement, Factor-y's team of engineers will integrate our solution as part of its enterprise cloud service offerings, labeled and marketed as StarFolder in Italy: <https://www.starfolder.it>

Today we would like to inform you that it might be an option for you to receive our solution and additional services delivered by our partner Factor-y.

In this case we are happy to set up a contact between you and our partner.

Please get back to us if we should transfer your contact details to Factor-y.

We are also happy to provide you with information and answers regarding any questions and demands you might have. Feel free to get back to me.

The partnership with Factor-y is one more important step for us offering our solution and services on a worldwide level. You can find more information about Factor-y on their webpage: <http://www.factor-y.com/it/homepage>

Kind regards,
